

Hello mam, I am ankit and I am a member of room-5. We are 9 members in the group who played a different role to complete our assignment and i am playing a role to introduction our movie than we can start. Today we have an topic, this is a movie and that's name is life of Pi. This movie based on a boy who survive the deep sea with a tiger on his life boat. They both are survive in the deep sea. There is no food to survive our life. Basecally Life of Pi tells the magical story of a young Indian, who finds himself shipwrecked and lost at sea in a large lifeboat. this movie contains the drama thrill, fear, danger, and a boy who fear the water. This movie show how to control our fear and what is the mean of life
